1. Candidate Overview

Ref: ACM-HR-CV-026

Ref	ACM-HR-CV-026
Submitted by	ACM Resources (Australia) Pty Ltd jobs@acmresources.com.au
Visa	Australian Citizen
Availability	Full Time

Professional Objective

Proactive and skilled machine operator with over 7 years of experience across civil construction, earthworks, logging, and infrastructure sectors. Dedicated and hardworking individual with excellent time management and the ability to work effectively both independently and as part of a team. Experienced operating a range of heavy plant including bobcats, 14t and 20t diggers, 290t excavators, graders, loaders, grapples, and dozers. Demonstrated capacity to step into foreman and specialist operator roles, taking responsibility for drain laying, trench work, and earthworks quality.

2. Employment History

East Coast Bob Cats

September 2023 – Present

Machine Operator

- Operated bobcats and 14-tonne excavators on residential and rural projects.
- Carried out house foundation excavation, demolition, farm tracking, and water tabling works.
- Maintained equipment in safe and serviceable condition at all times.

Fulton Hogan

September 2021 – September 2023

Specialist Operator / Foreman

- Operated 14-tonne and 20-tonne excavators, graders, loaders, grapples, and dozers on civil infrastructure projects.
- Performed drain laying, trenching, and earthworks to specification.
- Carried out fusion welding on pipeline projects.
- Acted in a foreman capacity, coordinating crew activities and ensuring quality and safety compliance.
- Liaised with supervisors and project management regarding daily production and progress.

KFT Logging

January 2019 – September 2021

Machine Operator

- Operated 20-tonne and 290-tonne excavators and grapples in a logging and forestry environment.
- Constructed and maintained haul roads and road-lining works.
- Ensured machinery was operated safely and in compliance with site procedures.

3. Skills & Competencies

Competency Area	Detail
-----------------	--------

Plant & Equipment Operation	Experienced operating bobcats, 14t–20t and 290t excavators, grapples, graders, loaders, and dozers across civil construction, forestry, and infrastructure projects.
