Visa	Australian Citizen
Availability	Full Time

Professional Objective

Experienced Piping Supervisor and licensed Plumber & Gas Fitter with a Diploma of Engineering (Mechanical) and over a decade of hands-on experience across mining, civil, and water infrastructure projects. Holds a Schedule 26 Supervisor Certification (WA) and S123 (QLD), HDPE pipeline welding license, and advanced rigging and dogging tickets. Proven track record supervising water projects, poly welding, and fixed plant maintenance for major clients including BHP, Rio Tinto, and Water Corporation. Perfect safety record with BHP Personal Lock Holder status and Rio Tinto Personal Isolation Officer induction.

2. Employment History

Lambron Contracting / Macforce Water Projects Supervisor (Contracting)	<i>December 2023 – Present</i>
- Supervised water infrastructure projects in a contracting capacity. - Coordinated crews across multiple work fronts to ensure project milestone compliance. - Applied Schedule 26 statutory supervisor responsibilities on WA mine sites. - Enforced health, safety, and environmental procedures at all times.	
North Metro TAFE Student	<i>January 2023 – December 2023</i>
Completed vocational study and professional development coursework.	
Parc Engineering Piping Supervisor	<i>July 2022 – December 2022</i>
- Supervised piping installation and fabrication teams. - Ensured quality assurance and adherence to project specifications. - Maintained compliance with site safety and environmental requirements.	
Furnace Solutions Installer — 3 & 1 Nightshift	<i>July 2021 – July 2022</i>
- Carried out installation works on a rotating nightshift roster. - Maintained safe work practices in high-temperature industrial environments.	

GR Engineering*February 2021 – July 2021*

Piping Supervisor

- Supervised piping crews on engineering and construction projects.
- Liaised with site management to schedule and coordinate piping works.
- Ensured compliance with specifications, quality standards, and safety requirements.

Plumbers Industries*March 2020 – November 2020*

Polywelder / Rigger / Machine Operator (Civils)

- Performed HDPE polyethylene pipe welding on civil construction projects.
- Operated civil construction machinery including excavators and loaders.
- Carried out rigging and dogging operations in compliance with advanced rigging certification.

Rio Tinto — Hope Downs 4*March 2019 – October 2019*

Site Services / Infrastructure — Plumber / Mechanical Fitter & Dewatering Technician

- Performed licensed plumbing and mechanical fitting duties within Rio Tinto's site services and infrastructure team.
- Operated and maintained dewatering systems across the Hope Downs 4 site.
- Completed Rio Tinto Iron Ore Essentials training and Personal Isolation Officer induction.

National Pump and Energy*October 2017 – March 2019*

Polywelder / Rigger

- Performed HDPE polyethylene pipeline welding using butt fusion and electrofusion techniques.
- Conducted rigging and dogging operations to support pipeline installation works.
- Maintained equipment and adhered to strict site safety protocols.

BHP — Yandi & Area C*March 2016 – August 2017*

Fixed Plant Maintenance Plumber / Mechanical Fitter

- Carried out licensed plumbing and mechanical fitting on BHP's fixed plant at Yandi.
- Maintained and repaired plant infrastructure in accordance with BHP isolation and lock-out procedures.
- Held BHP Personal Lock Holder status with full training in isolation of stored energy.

Wenco (Water Corporation)*December 2015 – February 2016*

HDPE Pipe Fitter / Mechanical Fitter / Licensed Plumber / Rigger & Dogman

- Performed HDPE pipe fitting and mechanical fitting work at the Beenyup–Craigie Wastewater Treatment Plant.
- Carried out licensed plumbing works under Water Corporation contract.
- Conducted rigging and dogging operations using advanced rigging certification.

3. Skills & Competencies

Competency Area	Detail
HDPE Pipeline Welding	Licensed HDPE PV pipe welder (AUS-GDE-6139) with PMB WELD 301B and 302B competencies. Experienced in butt fusion and electrofusion welding techniques on mining and civil projects.
Supervision & Leadership	Holds Schedule 26 (WA) and S123 (QLD) statutory supervisor certifications. Experienced leading multi-trade crews across mining, water infrastructure, and civil construction environments.
Licensed Plumbing & Gas Fitting	Licensed Contractor Plumber (PL 9637) and Gas Fitter (GF016156). Experienced in water infrastructure, wastewater treatment, and gas fitting works.

Rigging & Dogging	Holds Cert III in Rigging (Advanced) and Cert III in Dogging. Experienced in crane operations up to 60 tonnes (C6 Licence).
Plant & Equipment Operation	Licensed to operate excavators, Manitou telehandler, ITC loader, roller, and elevated work platforms. Holds HR licence (road ranger gearbox) and forklift (FL) licence.
Safety & Compliance	Perfect safety record. BHP Personal Lock Holder. Rio Tinto Personal Isolation Officer. Water Corporation inducted. Working at heights and confined spaces trained.

4. Licences & Certifications

Certification / Ticket	Category	Details
MEM50212 — Diploma of Engineering (Mechanical)	Qualification	WB84 pathway — Diploma of Engineering Technical (Mechanical)
Certificate IV — Licensed Contractors Plumber & Gas Fitter	Qualification	Plumbing Licence PL 9637 / Gas Fitting Licence GF016156
S26 — Schedule 26 Statutory Supervisor (WA)	Competency	WA Mining statutory supervisor certification
S123 — Supervisor Certification (QLD)	Competency	Queensland statutory supervisor certification
HDPE PV Pipe Licence — AUS-GDE-6139	Competency	PMB WELD 301B (Butt Weld Polyethylene Plastic Pipelines) & PMB WELD 302B (Electrofusion Welding)
Certificate III in Rigging — Advanced	Qualification	Advanced rigging operations
Certificate III in Dogging	Qualification	Dogging operations
Provide First Aid — HLTAID001 / HLTAID002 / HLTAID003	Safety	First aid, CPR, and apply first aid
Civil Construction Excavator Licence	Plant	Excavator operations — civil construction
Elevated Work Platform (EWP) — Licence 433006	Plant	EWP trained operator
Blue Card — Construction Induction	Safety	Construction induction (QLD)
Civil Construction Manitou Licence	Plant	Manitou telehandler operations
Civil Construction ITC Licence	Plant	ITC loader operations
Civil Construction Roller Operations Licence	Plant	Roller operations

Chainsaw Operations	Competency	Chainsaw operations ticket
HR Licence — Road Ranger Gearbox	Licence	Heavy Rigid vehicle licence with road ranger gearbox
C6 Licence — 60-Tonne Crane	Plant	Crane operations up to 60 tonnes
Working at Heights	Safety	Working at heights trained
Confined Spaces	Safety	Confined spaces entry and working
Forklift Licence (FL)	Plant	Forklift operations
Skippers Recreational	Licence	Recreational skippers ticket
IRC and Bronze Medallion	Competency	IRC and Bronze Medallion (surf lifesaving)

5. Referees

Professional references available upon request. Please contact ACM Resources to facilitate introduction.

ACM Resources is an active labour hire and construction contractor operating across WA mining and civil sectors. Izak John Morris is presented by ACM as a skilled professional available for immediate placement. All enquiries regarding this CV should be directed to jobs@acmresources.com.au.
