

Curriculum Vitae

Ref: ACM-HR-CV-014

Position:	Poly Welder
Submitted by:	ACM Resources (Australia) Pty Ltd
Contact:	jobs@acmresources.com.au
Date:	April 2026
Doc Ref:	ACM-HR-CV-014

1. Candidate Overview

Ref: ACM-HR-CV-014

Ref	ACM-HR-CV-014
Submitted by	ACM Resources (Australia) Pty Ltd jobs@acmresources.com.au
Visa	Australian Citizen
Availability	Full Time

Professional Objective

Dedicated and competent Poly Welder with experience in HDPE pipeline installation, fabrication, and civil construction across Western Australian mining and resources projects. Kyle has developed strong technical skills in poly welding, civil earthworks, and bore installation through roles with ACM Resources, UON, and DAMOS. He demonstrates a consistent focus on safety, quality standards, and effective teamwork, and holds inductions for FMG and Roy Hill operations.

2. Employment History

ACM Resources (Australia) Pty Ltd

June 2023 – Present

Poly Welder

- Installation of HDPE pipelines across mining and resources sector projects.
- Fabrication of HDPE spools for pipeline systems.
- Civil works associated with the installation of HDPE pipelines.
- Repairs to existing pipelines and associated infrastructure.

UON

November 2021 – June 2023

Poly Welder

- Welded HDPE pipelines in accordance with project scope including bolt-ups and final installations.
- Developed skills and experience in assisting trench crews, civil works, and road construction, as well as general trade assistant duties.
- Assisted in multiple bore installations for dewatering of mining pits.
- Maintained job safety standards including safe area set-ups, clear communications, job planning, and critical thinking.

DAMOS

November 2019 – November 2021

Poly Welder

- Read and interpreted construction drawings to ensure accurate pipeline installation.
- Welded pipe and pipe fittings to a high standard using correct welding parameters.
- Applied formulas and general mathematics to calculate welding measures for quality assurance.
- Performed general labour duties and operated a variety of hand and power tools.
- Adhered to OH&S; guidelines and maintained housekeeping standards on site.

3. Skills & Competencies

Competency Area	Detail
-----------------	--------

HDPE Poly Welding	Experienced in the installation and fabrication of HDPE pipelines including butt fusion welding, spool fabrication, bolt-ups, and pipeline repairs across mining and civil construction environments.
Civil Construction	Capable of supporting trench crews, road and access construction, bore installation, and general civil works associated with pipeline projects.
Technical Drawing	Competent in reading and interpreting construction drawings and applying engineering data to welding parameters.
Safety and Compliance	Demonstrated commitment to OH&S; compliance, safe area set-ups, and worksite housekeeping standards.

4. Licences & Certifications

Certification / Ticket	Category	Details
Poly Welding	Competency	Competency in HDPE poly welding including butt fusion techniques for pipeline installation and fabrication.
Elevated Work Platform (EWP)	Competency	Certified for elevated work platform operation.
Dogging	Competency	Dogging licence for slinging and directing loads.
Forklift	Competency	Licensed forklift operator.
Operate and Maintain Chainsaws	Competency	Certified for chainsaw operation and maintenance.
White Card (Construction Induction)	Safety	General Construction Induction card — national white card.

5. Referees

Professional references available upon request. Please contact ACM Resources to facilitate introduction.

ACM Resources is an active labour hire and construction contractor operating across WA mining and civil sectors. this candidate (Ref: ACM-HR-CV-014) is presented by ACM as a skilled professional available for immediate placement. All enquiries regarding this CV should be directed to jobs@acmresources.com.au.
