Ruamoko Whareaitu

Position:	Operator
Submitted by:	ACM Resources (Australia) Pty Ltd
Contact:	jobs@acmresources.com.au
Date:	April 2026
Doc Ref:	ACM-HR-CV-017

1. Candidate Overview

Ruamoko Whareaitu

Address	Western Australia
Phone	—
Email	—
Submitted by	ACM Resources (Australia) Pty Ltd jobs@acmresources.com.au
Visa	Australian Citizen
Availability	Full Time

Professional Objective

Experienced and versatile Operator with a solid background in civil works, pipeline construction, and heavy plant operation across Western Australian resources sector projects. Ruamoko has demonstrated consistent reliability and technical capability through roles with ACM Resources and Innotech, encompassing civil earthworks, access track construction, pipe installation, and dogging operations. His broad plant ticket portfolio and proven experience working on mine site environments makes him a capable and adaptable team member. He holds site inductions for Rio Tinto and FMG.

2. Employment History

ACM Resources (Australia) Pty Ltd

2023 – Present

Operator

- Civil works associated with pipeline construction across resources sector projects.
- Pipe installation including handling, positioning, and supporting poly welding crews.
- Road and access track construction and maintenance in remote mine site environments.
- Vegetation clearing and topsoil storage operations.
- Construction of bore pads, pump station pads, and civil infrastructure pads.
- General civil works as directed by the project supervisor.

Innotech

2018 – 2023

Operator

- Operation of roller, moxy (articulated haul truck), tipper, integrated tool carrier (IT), water cart, and service trucks.
- Civil construction activities including earthmoving, compaction, and material placement.
- Pipeline construction support activities.
- Dogging operations including slinging and directing loads during crane lifts.

Peters Removals

2015 – 2018

Driver / Removalist

- Inspected properties at pick-up addresses to assess removal requirements, then packed and labelled items as required.
- Loaded goods onto removal trucks by hand or using forklifts, trolleys, lifting straps, and lifting hooks.
- Applied protective packing to furniture and appliances to prevent damage during transit.
- Ensured loads were correctly placed and secured to avoid damage to goods and vehicles.
- Unloaded and placed goods at drop-off addresses, unpacking where required.
- Checked items against inventory and noted any wear, tear, or damage.
- Provided customer service and operated removal trucks.

Security Perth

2014 – 2015

Security Officer / Crowd Controller

- Conducted bag and personnel checks at venue entry points.
- Managed personnel removal and venue closure procedures.
- Conducted identification checks and monitored venue compliance.
- Maintained a safe and secure environment for patrons and staff.

Navigator Resources

2012 – 2013

Land Surveyor Assistant

- Soil sampling and geological drill site preparation.
- Site rehabilitation following drill programs.
- Assisted the site geologist with field data collection and analysis.
- Performed tenement boundary work and all-round field and site support activities.
