Visa	Australian Citizen
Availability	Full Time

Professional Objective

A highly experienced Superintendent and Site Supervisor with over a decade of leadership across civil mining, dewatering, and infrastructure projects. Luke has held superintendent roles with Mineral Resources Limited, Warrikal Civil, UON Energy, and ACM Resources, demonstrating proven capability in site operations management, stakeholder engagement, and the delivery of complex HDPE, dewatering, and civil construction programmes. He holds a Schedule 26 statutory certificate and is inducted at MRL, BHP, and Fortescue.

2. Employment History

ACM Resources (Australia) Pty Ltd

February 2025 – Present

Superintendent

- Managed daily site operations including project scheduling, prestart meetings, and project budget control, ensuring all activities adhered to safety procedures.
- Led and mentored electrical and mechanical technicians, maintaining high standards of safety, performance, and engagement.
- Oversaw facility maintenance, roadworks, and the installation of pumps, bores, HDPE pipeline systems, and solar systems.
- Conducted weekly reporting to a high standard and liaised with stakeholders to meet site targets as a team.

Mineral Resources Limited (MRL)

January 2024 – February 2025

Superintendent

- Managed daily site operations including project scheduling, prestart meetings, and project budget control, ensuring all maintenance adhered to safety procedures.
- Led and mentored electrical and mechanical technicians, maintaining high safety, performance, and engagement standards.
- Oversaw facility maintenance, roadworks, and the installation of pumps, bores, HDPE pipeline systems, and solar systems.
- Conducted weekly reporting to a high standard and liaised with stakeholders to meet site targets collaboratively.

Warrikal Civil*October 2022 – January 2024*

Superintendent

- Directed civil works projects including HDPE pipeline installations, earthworks (high voltage, low voltage, and CSP culverts), electrical infrastructure, dewatering, and roadworks.
- Managed client interactions, providing project scopes, detailed quotes, and progress updates with a high standard of customer service.
- Coordinated multi-disciplinary site teams and ensured compliance with project safety and quality requirements.

UON Energy*April 2019 – October 2022*

Supervisor / Superintendent

- Managed daily site operations including project scheduling, prestart meetings, and project budget control, ensuring all activities adhered to safety procedures.
- Managed client interactions, providing project scopes, quotes, and detailed progress updates with exceptional customer service.
- Conducted multiple site inspections and project coordination with Rio Tinto, BHP, and Fortescue.
- Directed civil works projects including HDPE installations, earthworks (HV, LV, and CSP culverts), electrical infrastructure, dewatering, and roadworks.
- Coordinated logistics for site mobilisation and demobilisation.
- Ensured compliance with safety standards and site-specific requirements.
- Completed all reports, verifications of competency (VOCs), and prestart meetings.

Citic Pacific Mining*October 2015 – April 2019*

Leading Hand

- Specialised in poly welding, PVC piping, and generator servicing on site.
- Conducted cyclone cleanup operations and operated high-risk forklifts.

Clough / KJV — Gorgon Project*2010 – 2015*

Quarantine Inspector

- Conducted quarantine inspections for catering, heavy machinery, and shipping containers.
- Collaborated with contractors to ensure compliance with safety and biosecurity requirements across various project sites.

3. Skills & Competencies

Competency Area	Detail
Site Superintendency	Proven track record managing large civil mining sites, coordinating multi-discipline teams, controlling project budgets, and delivering outcomes on schedule for Tier 1 mining clients.
HDPE & Dewatering	Extensive expertise in HDPE pipeline installation, pump systems, bore works, and dewatering operations across iron ore and gold mining environments.
Civil Infrastructure	Experienced in civil earthworks, HV/LV electrical trenching, CSP culvert installation, roadworks, and solar system installations.
Leadership & Mentoring	Demonstrated ability to lead, mentor, and develop electrical, mechanical, and civil technicians, fostering high-performance team culture.

Stakeholder Management	Skilled in client liaison, scope development, quoting, and progress reporting with Tier 1 resources clients including MRL, BHP, Rio Tinto, and Fortescue.
Plant Operation	Competent operator of graders, excavators, loaders, GPS machine control (IT), poly welding equipment, and high-risk forklifts. Holds an HR Drivers Licence.

4. Licences & Certifications

Certification / Ticket	Category	Details
Schedule 26 — WA Mining Supervisor	Safety	Western Australian statutory mine supervisor certificate under the Mines Safety and Inspection Act.
Section 44 — Senior Mine Supervisor	Safety	Western Australian statutory senior mine supervisor certificate.
HRWL LF — Forklift Operator	Competency	High Risk Work Licence for forklift operation.
HRWL CN — Crane Operation	Competency	High Risk Work Licence for crane operation.
Grader Operation	Competency	Competent operator of motor graders for road construction and maintenance.
Excavator Operation	Competency	Competent operator of excavators for civil and mining earthworks.
Loader Operation	Competency	Competent operator of wheel loaders for materials handling and earthworks.
GPS Machine Control (IT)	Competency	Competent in use of GPS grade control systems for precision earthworks.
Poly Welding	Competency	Polyethylene pipe welding competency for fusion welding applications.
C Class Drivers Licence	Licence	Western Australian C class motor vehicle drivers licence.
HR Drivers Licence	Licence	Western Australian Heavy Rigid (HR) class motor vehicle drivers licence.
MRL Site Induction	Safety	Approved site induction for Mineral Resources Limited operations.
BHP Site Induction	Safety	Approved site induction for BHP operations.
Fortescue (FMG) Site Induction	Safety	Approved site induction for Fortescue operations.

5. Referees

Professional references available upon request. Please contact ACM Resources to facilitate introduction.

ACM Resources is an active labour hire and construction contractor operating across WA mining and civil sectors. Luke Mulholland is presented by ACM as a skilled professional available for immediate placement. All enquiries regarding this CV should be directed to jobs@acmresources.com.au.
