Professional Objective

Experienced Civil Operator and All Rounder with a demonstrated history across major and minor bulk earthworks, civil construction, and HDPE pipeline installation. Adam has held operational roles with leading contractors including Aussie Civil & Mining Resources, MPC Kinetics, and Suffcon, and brings a strong foundation in load and haul operations, civil asset maintenance, and site preparation. Holds a Certificate III in Civil Construction Plant Operations and an HR Drivers Licence, with tickets covering Roller, Skid Steer, Loader, Dozer, Grader, Scraper, and Tractor operations.

2. Employment History

Aussie Civil & Mining Resources

March 2023 – Present

All Rounder / Operator

- Undertook major and minor civil earthworks in support of HDPE pipeline installation projects.
- Installed HDPE pipelines across a range of civil construction sites.
- Conducted site preparation and reinstatement activities to project specifications.

MPC Kinetics

2021 – March 2023

Operator

- Performed major and minor bulk earthworks across multiple project sites.
- Conducted load and haul operations using heavy mobile plant.
- Carried out civil asset maintenance and construction tasks.

Suffcon

2019 – 2021

Operator

- Performed major and minor bulk earthworks in civil and mining environments.
- Conducted load and haul operations using a range of heavy plant equipment.
- Undertook civil asset maintenance and construction activities.

Rio Tinto

2018 – 2019

Operator

- Operated haul trucks in an open pit mining environment.
- Performed water cart operations across site.
- Operated auxiliary equipment as required to support site activities.

3. Skills & Competencies

Competency Area	Detail
Civil Earthworks	Extensive experience in major and minor bulk earthworks, site preparation, and civil reinstatement across mining and construction environments.
Mobile Plant Operation	Competent operator of Roller, Skid Steer, Loader, Dozer, Grader, Scraper, and Tractor. Experienced in load and haul operations and auxiliary plant.
Pipeline Support	Direct experience in civil earthworks for HDPE pipeline installation and site reinstatement associated with pipeline construction.
Safety & Compliance	Strong commitment to workplace health and safety, with experience following JHA, SWMS, and pre-start processes across multiple site environments.

4. Licences & Certifications
