Email	—
Submitted by	ACM Resources (Australia) Pty Ltd jobs@acmresources.com.au
Visa	Australian Citizen
Availability	Immediate

Professional Objective

Highly experienced Poly Welder and Leading Hand with 15 years of dedicated HDPE pipeline welding experience across both local Perth-area and FIFO project environments. Paul has led welding crews of 12 to 20 staff and has held roles with ACM Resources, Innotech Site Services, Blue Energy, Charles Hull Contracting, and Kimberly Pipe/Plumbers Industries across major sites including Roy Hill, Sino Iron Ore, Alcoa Pinjarra, Yandi, and Wheatstone. Holds PMBWELD301 and PMBWELD302 accreditations, a Skid Steer ticket, Integrated Tool Carrier, Telescopic Tool Carrier, and current Roy Hill, Rio Tinto, and FMG inductions.

2. Employment History

ACM Resources

February 2019 – Present

Poly Welder

- Undertook all aspects of poly welding including fabrication, pipe fitting, and hydrostatic testing across multiple ACM Resources project sites.

Innotech Site Services

June 2018 – February 2019

Poly Welder

- Installed and maintained HDPE poly pipe from 63mm to 800mm using Dixon and McElroy welding machines.
- Conducted dewatering of external areas of tailing dams.
- Fabricated pipework to refinery drawing specifications.
- Applied excellent knowledge and understanding of technical and isometric drawings.

Blue Energy

July 2017 – March 2018

Poly Welder

- Installed and maintained HDPE poly pipe from 63mm to 630mm using Dixon and McElroy welding machines.
- Operated telehandlers to load and unload poly pipe.
- Performed dewatering of external areas of tailing dams.
- Applied excellent knowledge and understanding of technical and isometric drawings.

Charles Hull Contracting*April 2017 – July 2017*

Poly Welder and Technician

- Involved in the installation of 280,000 square metres of HDPE on the batters and floor of the Extended RDA (Residue Disposal Area).
- Fabricated and installed a sub-drainage system in the RDA, including welding HDPE pipes and attaching a drain coil network.
- Used, maintained, and serviced Demtech welders, extruders, and lysters.

Kimberly Pipe / Plumbers Industries Joint Venture*September 2016 – December 2016*

Leading Hand Poly Welder

- Led the installation of a pipe corridor approximately 14km long, comprising various pipe attachments ranging from 90mm OD to 710mm OD.
- Utilised Dixon 225 and McElroy 500 and 900 welding machines.
- Managed 21 road crossings, assisting with the setup of laser levels, pipe installation, backfill, compaction, and traffic control.
- Performed bolting up of butterfly valves, blind flanges, and air valves.

Various Labour Hire Companies*February 2016 – September 2016*

Labourer

- Undertook various site roles through Torque Recruitment, Mass Recruitment, CPC Engineering, and Workpac including labouring, unloading sea containers, mulching, and general landscaping.

Kiewit / Ertech Joint Venture*November 2013 – February 2016*

Leading Hand Poly Welder / Acting Supervisor / Pipe Fitter

- Acted as supervisor including attending meetings, planning work, and liaising with management, engineers, and contractors to ensure efficient completion of scheduled works.
- Led a 12 to 20 person poly welding crew fabricating fire water, potable water, utility water, and wastewater systems.
- Worked independently from isometric drawings using data loggers and to strict quality standards.
- Actively involved in planning and completing all construction phases including earthworks, formwork, concrete thrust blocks, valve and pit installations, and hydrostatic testing.
- Maintained daily weld records, quality paperwork, weld maps, and represented the company at hold points and inspections.

Thiess Contracting*February 2012 – July 2013*

Labourer / Poly Welder

- Performed labouring and poly welding duties in support of FIFO project activities at Newman.

3. Skills & Competencies

Competency Area	Detail
Poly Welding	15 years of HDPE poly welding experience across pipe sizes from 63mm to 800mm. Proficient in butt fusion and electrofusion welding using Dixon 225/500, McElroy 500/900, Demtech, and Ritmo machines.
Leading Hand / Supervision	Experienced Leading Hand capable of managing crews of 12 to 20 welders and pipe fitters. Experienced in work planning, crew coordination, and acting supervisor responsibilities.

Plant Operation	Holds tickets for Skid Steer, Integrated Tool Carrier, and Telescopic Tool Carrier. Operated telehandlers for loading and unloading poly pipe and materials.
Quality Assurance	Proficient in maintaining weld records, data logger documentation, quality paperwork, weld maps, and ISO drawing interpretation. Experienced in representing the company at hold point inspections.
Confined Space & Heights	Holds confined space and working at heights certifications.

4. Licences & Certifications

Certification / Ticket	Category	Details
PMBWELD301A — Butt Fusion Welding (HDPE)	Competency	Accredited butt fusion welding of HDPE polyethylene pipelines.
PMBWELD302A — Electrofusion Welding (HDPE)	Competency	Accredited electrofusion welding of HDPE polyethylene pipelines.
Confined Space (RIIWH202D)	Safety	Certified to work in confined spaces.
Working at Heights (RIIWH204D)	Safety	Certified for work at heights.
Skid Steer Loader (RIIMP0318B)	Plant	Certified to operate skid steer loader.
Integrated Tool Carrier (RIIHAN311A)	Plant	Certified to operate integrated tool carrier.
Telescopic Tool Carrier (RIIHAN309A)	Plant	Certified to operate telescopic tool carrier.
Roy Hill Site Induction	Safety	Roy Hill site induction — current.
Rio Tinto Iron Ore Essentials	Safety	Rio Tinto Iron Ore site essentials induction — current.
Rio Tinto Isolation Theory — Personal Isolation	Safety	Rio Tinto isolation theory training — personal isolation.
Rio Tinto Isolation Theory — Lock Holders	Safety	Rio Tinto isolation theory training — lock holders.
FMG Site Induction	Safety	Fortescue Metals Group site induction — current.
Blue Card — 22432	Safety	Queensland Blue Card — Working with Children Clearance.

5. Referees

Professional references available upon request. Please contact ACM Resources to facilitate introduction.

ACM Resources is an active labour hire and construction contractor operating across WA mining and civil sectors. Paul Corby is presented by ACM as a skilled professional available for immediate placement. All enquiries regarding this CV should be directed to jobs@acmresources.com.au.
