

Curriculum Vitae

Michael Bayliss

Position: Mobile Plant Operator | Leading Hand | All Rounder

Submitted by: ACM Resources (Australia) Pty Ltd

Contact: jobs@acmresources.com.au

Date: April 2026

Doc Ref: ACM-HR-CV-037

1. Candidate Overview

Michael Bayliss

Address	Seville Grove, Western Australia
Phone	0447 761 984
Email	mickbayliss2011@hotmail.com
Submitted by	ACM Resources (Australia) Pty Ltd jobs@acmresources.com.au
Visa	Australian Citizen
Availability	Full Time

Professional Objective

Dedicated and safety-focused Mobile Plant Operator and Leading Hand with over 15 years of experience across mining, civil, construction, and agricultural environments. Michael brings 10 years of hands-on mining experience including open pit operations at BHP Area C, BHP Kwinana Refinery, and Rio Tinto Brockman 4, Yandi, and Telfer. He has supervised teams of up to 30 Mobile Plant Operators and holds machine tickets across Excavator, Front End Loader, Skid Steer, Forklift, and Truck. A proven track record of leading safe, efficient, and high-production operations with no Lost Time Injuries in his mining career. Holds a Certificate IV in Training and Assessment and a valid HR Licence.

2. Employment History

Perth Works

November 2022 – June 2024

All Rounder

- Worked as part of a team of four completing contracts at over 30 Primary Schools throughout the Perth metropolitan region to construct new classrooms.
- Operated Kubota 2T excavators, Kubota 475 bobcats, and drove Heavy Rigid Trucks (6-wheeler semi-trailers) for site works.
- Used the bobcat for preparation work around classroom builds and formed up for concrete pouring.
- Erected patios and operated trucks to cart sand and dispose of site waste.
- Re-established existing grass areas and followed strict OH&S; procedures including permanent fencing and careful hazard removal when working around children.
- Delivered all contracts on time, on budget, and to high quality as preferred contractors.

SKC

December 2019 – November 2022

All Rounder

- Performed all-rounder duties across a range of civil and agricultural settings in support of SKC operations.

Preferred Demolition & Earth Works

May 2017 – December 2019

Excavator Operator

- Operated excavators for demolition and earthworks projects across the Cannington area.

Raptors & Son

March 2016 – February 2017

Deckhand / Cook

- Performed deckhand and cook duties in a remote maritime and hospitality environment.

Watpac Civil Mining*January 2012 – January 2016***Mobile Plant Operator / Leading Hand**

- Served as Leading Hand supervising a team of 28 to 30 Mobile Plant Operators.
- Personally operated Hitachi 40T Excavators, CAT 992 Loaders, CAT D10T Dozers, and Water Carts.
- Attended daily pre-start meetings and allocated machines to operators for each shift.
- Performed daily maintenance checks on all equipment including oil, water, fuel, lights, tyre pressure, warning lights, and E-stop.
- Extracted iron ore from the mesa, performing high-risk work cutting edges down the hill as required.
- Provided operational direction to the team regarding ore grade changes, tip head changes, and area readiness.
- Communicated with supervisors and team members via two-way radios and hand signals.
- Worked day and night shifts with smooth handover management.
- Completed earthworks for the construction of BHP's Kwinana Refinery and operated a Bobcat for concrete footing earthworks.
- Followed all safety procedures including JHAs, Take 5s, and full PPE requirements.
- Completed Certificate IV in Training and Assessment and gained valuable experience training operators on site.
- Achieved KPI tonnage targets consistently and maintained a zero Lost Time Injury record.

Diesel Mech*August 2010 – January 2012***Trades Assistant / Mobile Hose Fitter**

- Performed trade assistant and mobile hose fitting duties at Port Headland in support of heavy mining equipment maintenance.

MCS*June 2008 – August 2010***Loader Operator / Bobcat Operator**

- Operated CAT 948 Loaders and CAT 246 Bobcats for ore handling and maintenance duties at Tanami Gold Mine.
- Received underground material from the crusher, picked up rock using the loader, and tipped into the crusher head.
- Transported fine material to the stockpile and maintained equipment including conveyors, screens, engines, and water suppressions.
- Followed OH&S practices including JHAs, Take 5s, PPE, water suppression, and lighting for night shifts.
- Increased production by 60% by minimising equipment downtime through proactive maintenance.

PIHA*November 2006 – June 2008***Mobile Plant Operator / Leading Hand / Trade Assistant**

- Served as Leading Hand supervising a team of 8 Mobile Plant Operators across multiple Pilbara mine sites.
- Completed poly pipeline dewatering jobs at Telfer Mine, Brockman 4, Yandi, and Area C.
- Operated Hitachi 20T Excavators, CAT 948 Loaders, and CAT 246 Bobcats.
- Constructed the water tank and assembled and heat-welded poly pipeline of all sizes.
- Lowered bore pumps into the ground and pressure-tested pipeline systems.
- Followed OH&S practices including JHAs, Take 5s, PPE, and exclusion zones.
- Completed all projects safely, on time, and to requirements — enabling adequate water supply to mine operations.

Perth Contractor*January 2004 – November 2006***Floor Layer**

- Performed floor laying across residential and commercial contracts in Perth.

3. Skills & Competencies

Competency Area	Detail
Mobile Plant Operation	Extensive experience operating Excavators (Hitachi 1.5T–40T, Kubota 2T), Loaders (CAT 930–992), Dozers (CAT D6–D10), Water Carts, Bobcats (CAT 246, Kubota 475), Dump Trucks (CAT 777D), Grader (CAT 14H), Forklifts, and Semi-Trailers.
Leadership & Supervision	Experienced Leading Hand with proven capability supervising teams of 8 to 30 Mobile Plant Operators across open pit mining environments. Skilled in machine allocation, shift handover, and performance management.
Mining Operations	10 years of open pit and underground mining experience at BHP Area C, BHP Kwinana Refinery, Rio Tinto Brockman 4, Yandi, Telfer, and Nullagine Gold Mine. Strong understanding of ore extraction, grade changes, and tip head management.
Pipeline & Dewatering	Experience assembling and heat-welding poly pipeline, lowering bore pumps, pressure-testing lines, and completing poly pipeline dewatering jobs at multiple Pilbara mine sites.
Training & Development	Holds Certificate IV in Training and Assessment and has experience training Mobile Plant Operators on site. Strong mentoring capability and commitment to knowledge transfer.

4. Licences & Certifications

Certification / Ticket	Category	Details
Certificate IV in Training and Assessment	Qualification	Certificate IV in Training and Assessment — 2008.
Secondary School (Year 10) — Cecil Andrews Senior High School	Qualification	Secondary school education to Year 10.
Excavator Operations (BCCPO3003B)	Plant	Conduct Excavator Operations — Down to Earth Training and Assessing, 2008.
Front End Loader Operations (BCCPO3004B)	Plant	Conduct Front End Loader Operations — Down to Earth Training and Assessing, 2008.
Skid Steer Loader Operations (BCCPO3008B)	Plant	Conduct Skid Steer Loader Operations — Down to Earth Training and Assessing, 2008.
Forklift Licence (TDTD1097B)	Plant	Operate Forklift — Down to Earth Training and Assessing, 2008.
Truck Licence (NOHSC7019)	Licence	Truck licence — Down to Earth Training and Assessing, 2008.

HR Drivers Licence	Licence	Heavy Rigid vehicle drivers licence — current WA HR Licence.
White Card	Safety	General Construction Induction — 2013.
Police Clearance	Safety	Current national police clearance.
Working with Children Check	Safety	Current Working with Children Check.
BHP Kwinana Refinery Induction	Safety	BHP Kwinana Refinery site induction — 2007.
Rio Tinto Yandi Induction	Safety	Rio Tinto Yandi site induction — 2006.
Rio Tinto Brockman 4 Induction	Safety	Rio Tinto Brockman 4 site induction — 2005.
Nullagine Gold Mine Induction	Safety	Nullagine Gold Mine site induction — 2012.
Telfer Mine Induction	Safety	Telfer Gold Mine site induction — 2006.

5. Referees

Professional references available upon request. Please contact ACM Resources to facilitate introduction.

ACM Resources is an active labour hire and construction contractor operating across WA mining and civil sectors. Michael Bayliss is presented by ACM as a skilled professional available for immediate placement. All enquiries regarding this CV should be directed to jobs@acmresources.com.au.
